GTP/Gibson

Report of Operative G T Purdy

Sept. 7th, 1926.

RE: MRS. GIBSON

Operative went to Newark this A.M. in an effort to locate several people who might be able to furnish some information regarding subject.

Located Harry Clark in front of #10 Fair Street. He stated that he was born and raised in 15 Fair Street and knew all the people who lived on that block. I asked him if he knew a woman named Janette Hilton or May Ray and showed him the photograph and told him that she was supposed to have lived at 17 Fair Street. He stated that he remembers a woman named Norton who conducted a rooming house at that address, but her description does not tally with our subject. He does not know the Borachs, but mentioned several names of notorious characters, viz: Fannie Rief and Jew Laura. These women conducted disorderly houses at 19 and 21 Fair Street, and their descriptions do not fit our subject. Mr. Clark can be found at 149 Mulberry Street.

Made further efforts to locate Charlie Borach and his wife. Was informed that Charlie Borach died some time ago and no one knew where Mrs. Borach could be found.

Operative then interviewed a Mrs. Collins of the Biltmore Apartments at Nelson Place and High Street. This woman conducted a high class rooming house on the corner of Broad and Campbell Sts, during the time our subject operated at 34 Campbell Street. I showed her the picture of subject and she stated that "that woman was living at 34 Campbell Street with a man named Sergeant and the woman was known only as 'Olive' and her last name was unknown". She further stated that this house was always a disorderly house as far back as she could remember.
